COMPACT

Killian Sofa Bed

Killian Sofa Bed

Design by Per Weiss 2019

Killian is a compact design with high comfort for both a seater and lounge which provides space.

In mere seconds convert a sofa into bed designed for everyday sleep. Due to its reversible mattress you will get two different comforts and the opportunity to choose between a firm or soft comfort.

The Dual mattress has one side consisting of 3,2" / 8 cm high density foam while the other side consists of 1,6" / 4 cm Oeko-Tex certified memory foam. The cover can easily be removed and washed at 140 Fahrenheit / 60 degrees.

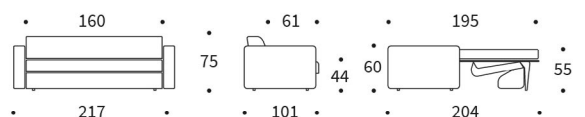

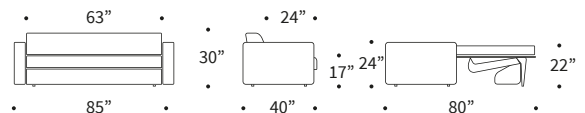

An adjustable solution which provides two purposes and allows a good rest for you and your overnighting guest. Ideal for small living spaces.

If needed, please request the specific price.
