Salla Sofa Bed

Salla Sofa Bed

Design by Emil Højfeldt & Per Weiss 2019

Salla sofa bed serves the features of both being practical and compact. Salla includes a large storage space hidden beneath the seat to store your beddings and cushions.

With its soft and rounded No-zag mattress the design provides you a soft comfort both while seating, lounging and sleeping. The large back cushions creates an extended comfort which makes it the ideal lounger.

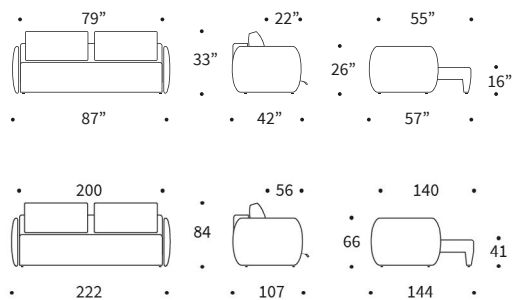

A heavy, yet feminine upholstery design for compact living.
