DAYBED

Walis Daybed

Walis Daybed

Design by Emil Højfeldt & Per Weiss 2019

Walis daybed is a unique daybed with extraordinary features. Walis includes two large back feather filled cushions and a dual pocket spring mattress ensuring an extra soft feel while seating, lounging and sleeping.

When pulling the modern and stylish strap in leather the autofold legs will appear and providing a storage space to store your beddings and cushions.

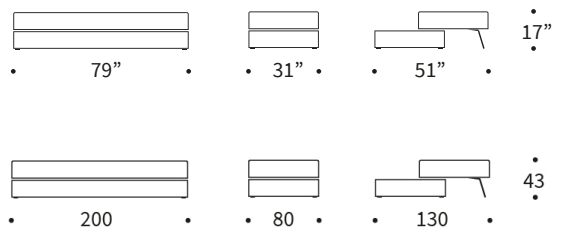

A daybed serving its purpose in both the living- and spare room.

If needed, please request the specific price.
